Agenda Items	TAG Discussion
1. Welcome and Introductions	The meeting was called to order at 1:00 p.m. by TAG Chair, Todd Beyreuther. Todd introduced himself as did TAG Chair Alternate, Roger Heeringa. Todd introduced Dustin Curb, SBCC Staff and roll call was taken. Quorum is not required for this meeting.
2. Distribute Chapters of 2024 IBC/IEBC for work on Existing Amendments and Significant Changes reports.	Dustin Curb explained the timeline for Group 1. First major deadline for the Significant Changes and Amendment Reports is May 24, 2024, which is the Council Meeting. The purpose of the meeting is to ask for assistance on reviewing the IBC/IEBC chapters. Dustin presented a sample document and explained the color scheme and their representation on the document. Additionally, Dustin presented sample documents of the spreadsheet that the members would need to complete and WAC location. Members of the TAG volunteered for chapter review. Not all chapters were taken. However, this will be addressed at the next TAG meeting. The goal is to have the chapters that were disseminated, completed by May 3 rd as the Standing Committee will need to review this one week before the May 24 th Council Meeting.

This material in alternative formats including braille, large print, and audio recording is available on request by emailing the SBCC at sbcc@des.wa.gov.

	<p>Managing Director, Stoyan Bumbalov, explained the importance of meeting the deadline. If not met, SBCC Staff will have a difficult time managing two groups at the same time.</p> <p>It was also discussed that the TAG would not be in violation of the OPMA if communications between members do not establish a quorum. Communications would need to be with 5 members or less. Communication that needs to go to the whole group should be relayed by SBCC Staff.</p>
