

SBCC 6/12/2020

Item 6:

The CR-102 that received public comment was WSR 19-16-154 and it had all the July 1, 2021 effective date items, however, the CR-102 errata had them struck. The Council approved the CR-102 and Errata, WSR 20-02-072, therefore, the July 1 2021 effective date items were not approved (aka struck by the council). I think we should go the CR-102 route for these changes.
