WASHINGTON STATE BUILDING CODE COUNCIL
Improving the built environment by promoting health, safety and welfare

STATE BUILDING CODE INTERPRETATION No. 13-01

CODE: 2009 IMC

SECTION: 404.4

QUESTION: Section 404.4 refers to automotive repair facilities. Is this section intended to apply to all motor vehicle repair shops or just specifically to passenger vehicle repair shops?

ANSWER: The intent is that this covers all motor vehicle repair shops. This section is intended to work with IMC Section 502.14 and provide further guidance on the specific requirements for source capture exhaust systems.

SUPERSEDES: None
