Section(s): WAC 51-50-009 Recyclable materials, compost, and solid waste storage: Chapter 2 Definitions and Section 430 Recyclable materials, compost, and solid waste storage

Titles: Definitions and Recyclable materials, compost, and solid waste storage

2. Proponent Name (Specific local government, organization or individual):

Proponent: SBCC Building Code TAG

Title: TAG

Date: February 24, 2021

3. Designated Contact Person:

Name: Stoyan Bumbalov

Title: SBCC Managing Director/TAG Staff

**Address: 1500 Jefferson St SE
Olympia, WA 98504**

Office Phone: (360) 407-9277

Cell: ()

E-Mail address: stoyan.bumbalov@des.wa.gov

4. Proposed Code Amendment.

Code(s) IBC Chapters 2 and 4 Section(s) 202 and 430

Amend section to read as follows:

Chapter 2, Section 202 Definitions

COMPOST means biodegradable solid wastes that are separated for composting such as food waste, food soiled paper and yard waste.

RECYCLED MATERIALS means those solid wastes that are separated for recycling or reuse, such as papers, metals and glass.

Chapter 4 Special detailed requirements based on occupancy and use

430 Recyclable materials, compost, and solid waste storage. All local jurisdictions shall require that space be provided for the storage of recycled materials, compost, and solid waste for all new buildings.

EXCEPTION: Group R-3 and Group U Occupancies.

The storage area shall be designed to meet the needs of the occupancy, efficiency of pickup, and shall be available to occupants and haulers.

5. **Briefly explain your proposed amendment, including the purpose, benefits and problems addressed.**
Moving information found in WAC 51-50-009 into the body of the code.

6. **Specify what criteria this proposal meets.** You may select more than one.

- The amendment is needed to address a critical life/safety need.
- The amendment clarifies the intent or application of the code.
- The amendment is needed to address a specific state policy or statute.
- The amendment is needed for consistency with state or federal regulations.
- The amendment is needed to address a unique character of the state.
- The amendment corrects errors and omissions.

7. **Is there an economic impact:** Yes No

Explain:

This is a clarifying amendment requiring no additional work or costs.

List any code enforcement time for additional plan review or inspections that your proposal will require, in hours per permit application: None

Please send your completed proposal to: sbcc@des.wa.gov

All questions must be answered to be considered complete. Incomplete proposals will not be accepted.

Additional information:

WAC 51-50-009

Recyclable materials, compost, and solid waste storage.

For the purposes of this section, the following definitions shall apply:

COMPOST means biodegradable solid wastes that are separated for composting such as food waste, food soiled paper and yard waste.

RECYCLED MATERIALS means those solid wastes that are separated for recycling or reuse, such as papers, metals and glass.

All local jurisdictions shall require that space be provided for the storage of recycled materials, compost, and solid waste for all new buildings.

EXCEPTION: Group R-3 and Group U Occupancies.

The storage area shall be designed to meet the needs of the occupancy, efficiency of pickup, and shall be available to occupants and haulers.
