**Subject:** WA State Commercial Energy Code

External Email

Hello, my name is Pat Nordby and I live in Winthrop, WA. I am writing to ask you to please approve the proposed updates to the Washington State Commercial Energy Code that require new commercial buildings be built with clean electric heat pumps and heat pump water heaters instead of dangerous and polluting gas appliances. Thank you for your consideration and for your work on behalf of our State.

Sincerely,  
Pat Nordby  
133 Twin Lakes Dr.  
Winthrop, WA 98862

The idea of wilderness needs no defense; it only needs more defenders.  
~ Edward Abbey
