

International Existing Building Code Testimony Summaries

Date Received	Testimony From	Proposal(s)	Position	Summary	Staff Recommendation
10/13/2022	IEBC Ardel Jala Testimony	21-GP2-055	Modify	Proponent comment seekd to make language more user friendly in section 401.4	
10/13/2022	IEBC Nathalie Boeholt Testimony	21-GP2-056	Modify	This public comment clarifies the applicability of the proposal and overall improves it, it does not change its original intent. It reflects comments heard from the ICC committee during the April 2022 Committee Action Hearings in Rochester NY and includes another IEBC proposal change (EB68) that will be incorporated in the 2024 IEBC.	
10/14/2022	IEBC Thurston County Testimony	21-GP2-029	Modify	Proponent proposes considering a modification to the proposal 21-GP2-029 to change the Definition of Substantial Damage and Substantial Improvement and revising the language to provide an option to comply with the latest FEMA guidance or use the Building Valuation Data.	Discuss with standing committee to consider possible modification.
9/30/2022	Chris Edmark Thurston County Oral Testimony	21-GP2-029	Modify	Propose Adding a clause to be able to use assessors data or building official descretion when determining valuation for substantial damage	Proposal for modification was further submitted.
10/14/2022	Nathalie Boeholt WABO TCDC Oral Testimony	21-GP2-056	Modify	ICC Committee gave feedback that WABO would like to see reflected in the WA amendments for sections 503.13, 805.4 and 212.	Proposal for modification was submitted with the written testimony.
