Code(s) 2024 International Building Code Section(s) 308.5.5

Enforceable code language must be used.
Family Home Child Care

Amend the section to read as follows:

308.5.5 Family home child care. Family home child care licensed by Washington state for the care of 16 or fewer children shall be classified as Group R-3 or shall comply with the *International Residential Code*

5. Briefly explain your proposed amendment, including the purpose, benefits, and problems addressed. Specifically, note any impacts or benefits to business and specify construction types, industries, and services that would be affected. Finally, please note any potential impact on enforcement, such as special reporting requirements or additional inspections required.

This is the modification per our state legislation, which has just been passed.

6. Specify what criteria this proposal meets. You may select more than one.

- The amendment is needed to address a critical life/safety need.
- The amendment clarifies the intent or application of the code.
- The amendment is needed to address a specific state policy or statute.
- The amendment is needed for consistency with state or federal regulations.
- The amendment is needed to address a unique character of the state.
- The amendment corrects errors and omissions.

7. Is there an economic impact: Yes No

If no, state the reason:

The change will allow more children in a child daycare

If yes, provide economic impact, costs, and benefits as noted below in items a – f.

a. **Life Cycle Cost.** Use the OFM Life Cycle Cost [Analysis tool](#) to estimate the life cycle cost of the proposal using one or more typical examples. Reference these [Instructions](#); use these [Inputs](#). Webinars on the tool can be found [Here](#) and [Here](#)). If the tool is used, submit a copy of the Excel file with your proposal submission. If preferred, you may submit an alternate life cycle cost analysis.
