Agenda Items	Committee Actions/Discussion
1. Welcome and Introductions	At 9:02 a.m., Todd Beyreuther called the meeting to order and noted Roger Heeringa, Committee Chair, wouldn't be in attendance and Todd would serve as Chair Pro Tem if there were no objections. At this time, Todd and Angela Haupt were the only committee members present and roll call wasn't taken. With no objection and a quorum not present, Todd Beyreuther asked anyone from the public, who wished to, to introduce themselves.
2. Review and Approve Agenda	Due to a lack of quorum, the agenda wasn't approved.
3. Review and Approve Minutes: <ul style="list-style-type: none"><li>• May 9, 2025</li></ul>	Due to a lack of quorum, the minutes were not reviewed or approved.
4. EV Charging Proposal	<p>Todd Beyreuther noted the EV Charging Proposal document will be reviewed and changes discussed, but without a quorum, a motion can't be made.</p> <p>Patrick Hanks shared the document and reviewed the changes made from the last meeting's discussion, input, and suggestions. Questions were asked, suggestions made, and comments heard.</p> <p>Some of the topics of discussion were the filing timeline, the similarity to ICC language for definitions and appendix, Utilities ability to provide service and opposition to Utilities being addressed in the</p>

Review of the Exceptions took place with comments and suggestions made. It was then noted the comments and suggestions made today would be captured and posted for further review and additional comments could be submitted to Staff.</p> <p>Additional public comments were made in opposition to roll back requirements for the EV Charging stations and further discussion was held on the categories associated with the stations.</p> <p>Kathleen Petrie asked for their proposal document to be shared and reviewed the Exceptions, and it was noted that additional research needs to be conducted on the language being used. Kathleen Petrie provided additional information on the document and ended with the request to not roll back the requirements and keep the climate goals in mind.</p> <p>Again, it was stated that today's comments would be incorporated into the document and posted for further BFRW Committee members and the public's review and comments.</p>
5. Other Business	<p>Ken Brouillette brought up a correlation issue between the 2021 IBC and IFC and inquired about a CR-105 for editorial changes, to which both Todd Beyreuther and Brandin Groat indicated they would follow up on this with Dustin Curb and get back to Ken.</p>
6. Adjourn	<p>The meeting was adjourned at 11:15 a.m.</p>
